

Self Guided Garden Guidelines

Welcome! Please spend a couple of minutes discussing these guidelines with your group before you begin to explore the Garden.

- 🌿 VanDusen Botanical Garden is a place of beauty with many wonderful plants and animals to see. For this reason, we ask visitors to refrain from picking any living plants or plant parts.
- 🌿 Respect the wildlife in the Garden, this is their home: Spend time observing the wildlife but try to not scare or hurt animals in any way including insects.
- 🌿 Respect your fellow Garden visitors: please do not run and make lots of noise in areas where other visitors might be enjoying some quiet time or a guided tour.
- 🌿 Keep to pathways and grassy areas when walking to protect our plants from accidental damage (always look where you are walking.)
- 🌿 Place all garbage in garbage cans, or appropriate recycling bins. If you can't find a garbage can or recycle bin, put it in your pocket or bag until you do find one.
- 🌿 When visiting indoor areas of the garden such as washrooms or entrance foyer, keep noise to a minimum and remember that other visitors and staff use these spaces as well.
- 🌿 Have lots of fun and enjoy the amazing world of plants!

Thank you for your support in helping to keep VanDusen Botanical Garden a beautiful place to visit. Enjoy your time here!
