Frequently Asked Questions – VBGA Membership

Q 7: I have tried to purchase or renew online and the system says that my email address cannot be found. I receive the monthly Member update (e-newsletter) so I know you have my correct email address.

It is possible that the City of Vancouver Recreation management software has found a duplication of your record or that your email has been applied to a number of people in your family. Another common occurrence is when some information in your profile may not be complete and thus is not letting you continue with the transaction.

Please call the Membership Office at 604-257-8675, or come to either VanDusen Garden or Bloedel Conservatory, to investigate and we will gladly process your Membership transaction.

Q 8: I am a member and I used to receive the monthly e-newsletter (Member Update) and I no longer receive it, OR I no longer wish to receive mailed information. What should I do?

Only one Member on an **Individual Plus Adult, Family, Family Plus** Membership will receive e-newsletters and mail. If the email address has changed or if a different family member has renewed the Membership with a different email address, the information may not be updated correctly.

To rectify any challenges, or change the manner in which you receive correspondence, please contact 604-257-8675 or email membership@vandusen.org. We will endeavor to correct to your wishes.

Q 9: I have lost my Membership card. What should I do?

We would be happy to replace your Membership card. There is a \$5 fee to cover the cost of replacement. Please come to either VanDusen Garden or Bloedel Conservatory during regular open hours. If your Membership card has been stolen, please provide one valid Proof of ID and we will invalidate your existing card to prevent further use and will re-issue a new Membership card free of charge.

Q 10: Do you have a discounted Membership category for seniors and students?

Yes, we offer a 15% discount off the base rate for Seniors and Students for the **Individual** and **Individual Plus Adult** Categories. Both Seniors must be 65+ year to receive the discount in the **Individual Plus Adult** category.

Q 11: Must an 'Individual PLUS Adult' category membership include two names on the Membership?

Yes, all **Individual Plus Adult** Memberships require two adults (19+) to be named as cardholders. Both adults do not necessarily have to live in the same residence. Only one adult though, will receive email and mail correspondence.

If you would prefer not to name the second cardholder so that you can bring a different person with you each day that you visit, we encourage you to purchase a **Premium** Membership.

Frequently Asked Questions – VBGA Membership

Q 12: At what age do children need to be included on a Membership?

All children aged 4 – 18 years are included in an **Individual Plus Child** Membership, **Family** Membership and **Family Plus** Membership. The adult(s) aged 19+ years receive a plastic photo Membership card. The children do not receive a card but are listed as family members on the Membership.

Children under the age of 4 are admitted free of charge to the Garden and to Bloedel Conservatory as long as accompanied by a Member with a valid Membership. Please ensure all birthdates are updated in our database.

Q 13: Can my childcare provider bring in my children on my card?

No, unfortunately not. He/she will need to pay for a one day admission purchased at the Admission Desk. However, when you purchase a **Family** or **Family Plus** Membership, the childcare provider could be named as the 2nd adult on the Membership.

Please note: VanDusen Membership cards are non-transferable. We recommend this option only if you know that your childcare provider will remain the same throughout the Membership year.

Q 14: What is the best level of Membership if I want to bring my grandchildren?

Individual plus Child, Family or **Family Plus** Memberships provide the opportunity to include children or grandchildren between the ages of 4 – 18 years onto your membership. Senior discounts are not offered in these categories. This is the same policy and is consistent with the categories and fees prior to April 4, 2017.

Q 15: Can my mom and I purchase a Membership together?

Yes, any two adults (19+ years) can be named on an **Individual Plus Adult, Family** or **Family Plus** Membership.

Please note: Please provide only one email address when applying for an **Individual Plus Adult, Family** or **Family Plus** Membership.
