## Field Trip Code of Conduct

### Respect plants

Enjoy, don't destroy! We invite you to smell, observe, and gently touch flowers, fruit, bark, and cones - but please don't pick anything off any plant

### Respect wildlife

The Garden provides habitat for many species of birds, bugs, turtles, and more. Give wildlife plenty of space and never feed them

### Respect guests & staff

Respect other visitors in the Garden and buildings and listen carefully to staff and program leaders. Many people come to enjoy the quiet, peaceful beauty of the Garden, so please use "inside voices"

### Stay with your group

Things are more fun together! Please stay with your group at all times

### Enjoy with your eyes

If you find something interesting on the ground, we invite you to explore it but please leave it where you found it

### Watch your step

Please keep your feet on paths and lawns, and out of the fragile garden beds

### Go with the flow

Photography is welcome, but refrain from interrupting the flow of the program to take posed photos

### Pack it out

Please dispose of waste appropriately. Never litter, pack out what you bring in, and consider ways to limit your waste

### Spread the word

Share this Code of Conduct with your students in the classroom before your visit and refer back to it as necessary
